

**Welcome to the new weekly newsletter
for families who are battling DIPG/DMG!**

I am a mom of a DIPG warrior turned angel– Mary– and I know all too well how hard this time is and how precious your time is so I will keep these newsletters short and sweet– you can click to find out more on things you are interested in or just skim as you have time! My hope is weekly I can bring just a quick bit of all this to you via this newsletter.

Need help with something or have a question? Email me!

Medical Highlight **Stanford GD 2 Car–T Cell Trial Spotlight!**

**Headed by Dr. Monje this car–t
trial has been running since 2020
in various phases and has seen a
few patients go 2+ years on trial
and one patient currently has
No Evidence of Disease.**

**Stanford's trial patients are
in–patient for treatment
currently only in California.**

 **Learn more!**

Products we love!

**Each week I will feature a product or
service we have found to be helpful!**

**Looking for something to help with a
certain part of your battle– ask us for
advice!**

**We love Jellycat Brand Stuffed
animals– and they are MRI friendly so
kids can bring them in to ease anxiety!
Check out some of our favorites by
clicking below!**

**Did You Know....
Marc Jr. Foundation offers a monthly free zoom
call in connection with the Children's Brain
Tumor Foundation for those fighting and a
seperate monthly call for those grieving– join,
find a community and ask questions at any stage
of treatment or grief!**
