

Welcome to the new weekly newsletter for families who are battling DIPG/DMG!

Are you trying to decide to get a port or a PICC line for your warrior? The choice can be so hard and sometimes it just seems like so much medical information but nothing on the caregiver side. In my weekly(ish) blog I am diving into this from a caregivers point of view- can read them here: [Mary's Corner Blog](#)

Need help with something or have a question? Email me!

Medical Highlight

If you haven't signed up for the FREE My DIPG Navigator program do it now! Great resource for questions, ideas and tumor board review!

Click Photo below for link to current trials in the US.

Products we love!

Brain Stress Balls

Great for not only relieving stress but also a great, easy to travel with item to keep hands moving and keep strength and mobility going for as long as possible.

Below is a link to a 6 pack so the whole family can take out their stress.

Did You Know....

Marc Jr. is starting monthly Bingo fundraisers here in Colorado so we can help ore families like you! We are looking for permission to share your beautiful warrior and their story- contact Kristin if interested!
