DIPG/DMG!**

We want to help you be able to navigate your child's (or your) diagnosis as best we can! Let us know how we can help– symptoms you need help controlling. Trials or approaches you are interested in learning about? Email us below and we can help find resources for you!

Need help with something or have a question? Email me!

Medical Highlight

Best countries for medical cancer care– US is among the top for research and new things are coming out regularly! We will keep you posted as new things come out!

Click Photo for link to current trials in the US.

Products we love!

Hospital Boredom Buster
Hospitals are so boring sometimes.

This toy became a great tool for hospital stays– Mary could play from bed or get up and do it. Easy to travel with for one day admissions too! Even the nurses loved it! Click photo to learn more.

Did You Know....

Palliative Care is NOT hospice and your child can do both or either during their treatment from day of diagnosis. Hospice in pediatric cancer also does not disqualify you from medical trials!
